OYO STATE, NIGERIA
P. M. B. 4000, OGBOMOSO. WEBSITE: www.lautech.edu.ng
THE POSTGRADUATE SCHOOL
ADMISSION TO REGULAR POSTGRADUATE PROGRAMMES**

Applications are invited from suitably qualified candidates for admission into Postgraduate Programmes for the 2023/2024 Academic Session:

A. Available Programmes

(1) FACULTY OF AGRICULTURAL SCIENCES:

Available Degrees: M.Tech., M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All candidates seeking admission to programmes in the Faculty of Agricultural Sciences must possess five (5) O'Level credit passes in English Language, Mathematics, Biology, Chemistry and Physics.

- (a) **Department of Agricultural Economics**
- (b) **Department of Agricultural Extension and Rural Development**
- (c) **Department of Animal Nutrition and Biotechnology**
- (d) **Department of Animal Production and Health**
- (e) **Department of Crop and Environmental Protection**
- (f) **Department of Crop Production and Soil Science**

For more details and areas of specialization see the link: www.pgschool.lautech.edu.ng/application

(2) FACULTY OF ARTS AND SOCIAL SCIENCES

(i) Postgraduate Diploma in Social Work with specialization in:

- (a) Community Development
- (b) Social Welfare
- (c) Healthcare
- (d) Industrial Social Welfare

(ii) Master of Science in Social Work with specialization in:

- (a) Community Development
- (b) Social Welfare
- (c) Healthcare
- (d) Industrial Social Welfare

Admission requirements

(a) Basic Requirements:

Candidate for (i) must possess five (5) O' Level credit passes including English Language, Mathematics and any other three (3) Arts and/or Social Sciences subjects.

Candidate for (ii) above must possess five (5) O' Level credit passes including English Language, Mathematics and any other three (3) Arts and/or Social Science subjects.

(b) Specific Requirements:

Candidate for (i) must be a

- i. Holder of HND with a minimum of Lower Credit, Registered Nursing Certificate, Community Health Certificate or their equivalents from recognized higher institutions.

Candidate for (ii) must

- i. Hold First Degree of not less than Second Class Lower Division in relevant areas (Health Education and Special Education, Nursing, Psychiatry, Psychology, and any other relevant discipline in Sciences, Social Sciences and Humanities) OR
- ii. Hold LAUTECH Postgraduate Diploma Certificate or its equivalent from other recognized Universities.

For more details and areas of specialization see the link: www.pgschool.lautech.edu.ng/application

(3) FACULTY OF BASIC MEDICAL SCIENCES

Available Degrees: PGD, M.Tech., M.Sc., M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All candidates seeking admission to any programme in the Faculty of Basic Medical Sciences must possess five (5) O'Level credit passes in English Language, Mathematics, Biology, Chemistry and Physics.

- (a) Department of Anatomy
- (b) Department of Physiology
- (c) Department of Biochemistry
- (d) Department of Medical Laboratory Sciences

For more details and areas of specialization see the link: www.pgsschool.lautech.edu.ng/application

(4) FACULTY OF BASIC CLINICAL SCIENCES

Available Degrees: PGD, M.Tech., M.Sc., M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All candidates seeking admission to any programme in the Faculty of Basic Clinical Sciences must possess five (5) O'Level credit passes in English Language, Mathematics, Biology, Chemistry and Physics.

- (a) Department of Chemical Pathology
- (b) Department of Medical Microbiology and Parasitology
- (c) Department of Pharmacology and Therapeutics

For more details and areas of specialization see the link: www.pgsschool.lautech.edu.ng/application

(5) FACULTY OF COMPUTING AND INFORMATICS

Available Degrees: PGD, M.Sc., M.Phil, M.Phil/Ph.D. and Ph.D. Computer Science.

Basic Requirement:

All candidates seeking admission to programmes in the Faculty of Computing and Informatics must possess five (5) O'Level credit passes in English Language, Mathematics, Physics, Biology and Chemistry.

Department of Computer Science

For more details and areas of specialization see the link: www.pgsschool.lautech.edu.ng/application

(6) FACULTY OF ENGINEERING AND TECHNOLOGY

Available Degrees: PGD, M.Tech., M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All candidates seeking admission to any programme in the Faculty of Engineering and Technology must possess five (5) O'Level credit passes in English Language, Mathematics, Biology, Chemistry and Physics. O'Level credit pass in Agricultural Science is acceptable in lieu of Biology for some courses as may be applicable.

- (a) Department of Agricultural Engineering
- (b) Department of Chemical Engineering
- (c) Department of Civil Engineering
- (d) Department of Computer Engineering
- (e) Department of Electronic and Electrical Engineering
- (f) Department of Food Engineering
- (g) Department of Mechanical Engineering

For more details and areas of specialization see the link: www.pgsschool.lautech.edu.ng/application

(7) FACULTY OF ENVIRONMENTAL SCIENCES

Available Degrees: PGD, M.Tech, M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All candidates seeking admission to any programme in the Faculty of Environmental Sciences must possess five (5) O'Level credit passes in English Language, Mathematics and any of Physics, Chemistry, Biology, Agricultural Science, Economics/Geography, Technical Drawing & Fine Art.

- (a) Department of Architecture
- (b) Department of Fine and Applied Arts
- (c) Department of Urban and Regional Planning

For more details and areas of specialization see the link: www.pgsschool.lautech.edu.ng/application

(8) FACULTY OF FOOD AND CONSUMER SCIENCES

Available Degrees: PGD, M.Tech, M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All candidates seeking admission to the Postgraduate programme in the Faculty of Food and Consumer Sciences must possess five (5) O'Level credit passes in English Language, Mathematics, Physics, Chemistry and Biology.

Department of Food Science

For more details and areas of specialization see the link: www.pgschool.lautech.edu.ng/application

(9) FACULTY OF MANAGEMENT SCIENCES

Available Degrees: M.Sc., M.Phil, M.Phil/Ph.D. and Ph.D.

Basic Requirement:

All Candidates seeking admission to any programme in the Faculty of Management Sciences must possess five (5) O'Level credit passes in English Language, Mathematics, Economics/Commerce and any other two (2) subjects.

- (a) Department of Business Management**
- (b) Department of Marketing**
- (c) Department of Transport Management**
- (d) Department of Accounting**

For more details and areas of specialization see the link: www.pgschool.lautech.edu.ng/application

(10) FACULTY OF NURSING SCIENCE

Available Degrees: PGD, M.NSC, M.Phil., M.Phil/Ph.D. and Ph.D.

Basic Requirement

Candidate must possess five (5) O' Level credit passes in English Language, Mathematics, Physics, Chemistry and Biology.

- (a) Department of Medical-Surgical Nursing;**
- (b) Department of Maternal and Child Health Nursing;**
- (c) Department of Community/Public Health Nursing;**
- (d) Department of Psychiatric/Mental Health Nursing;**

For more details and areas of specialization see the link: www.pgschool.lautech.edu.ng/application

(11) FACULTY OF PURE AND APPLIED SCIENCES

Available Degrees: PGD, M.Tech, M.Sc, M.Phil, M.Phil/Ph.D. and Ph.D

Basic Requirement:

All candidates seeking admission to any programme in the Faculty of Pure and Applied Sciences must possess five (5) O'Level credit passes in English Language, Mathematics, Biology, Chemistry and Physics.

- (a) Department of Earth Science**
- (b) Department of Pure and Applied Biology**
- (c) Department of Pure and Applied Chemistry**
- (d) Department of Pure and Applied Mathematics**
- (e) Department of Pure and Applied Physics**
- (f) Department of Science Laboratory Technology**
- (g) Department of Statistics**

For more details and areas of specialization see the link: www.pgschool.lautech.edu.ng/application

B. SPECIFIC ADMISSION REQUIREMENTS

In addition to departmental and UTME requirements, candidates must also possess the qualifications specified hereunder:

(i) Postgraduate Diploma Programme

For Postgraduate Diploma, candidates must possess Bachelor of Technology (B.Tech.), Bachelor of Science (B.Sc.), Bachelor of Engineering (B.Eng.), Bachelor of Medical Laboratory Science (BMLS) or Bachelor of Arts (B.A) degree with at least 3rd Class in relevant disciplines or Higher National Diploma Certificate (HND) in relevant disciplines with at least Lower Credit. Candidates with MB; BS and DVM may be considered for Postgraduate Diploma in Biochemistry.

(ii) M.Tech./M.Sc Programme

Candidates must possess Bachelor of Technology (B.Tech.), Bachelor of Science (B.Sc.), Bachelor of Engineering (B.Eng.) or Bachelor of Arts (B.A), Bachelor of Medical Laboratory Science (BMLS) degree with at least Second Class Lower Division in relevant discipline. Also candidates with Bachelor of Pharmacy (B.Pharm), holders of PGD in relevant disciplines must have a minimum score of 60% for M.Tech./M.Sc. Programme.

(iii) For admission to the M.Phil, and Ph.D. programmes.

Candidates must have a minimum score of 50% for M.Phil and 60% for Ph.D in their Masters Degrees.

Applicants for Ph.D. may be required to commence with M.Phil/Ph.D. where appropriate.

C. DURATION OF PROGRAMMES

FULL-TIME

- (i) Postgraduate Diploma - Minimum of two (2) semesters
- (ii) Master - Minimum of three (3) semesters
- (iii) M.Phil - Minimum of three (3) semesters
- (iv) PhD - Minimum of six (6) semesters

PART-TIME

- (i) Postgraduate Diploma - Minimum of three (3) semesters
- (ii) Master - Minimum of six (6) semesters
- (iii) M.Phil - Minimum of six (6) semesters
- (iv) PhD - Minimum of eight (8) semesters

* Kindly log on to www.apply.lautech.edu.ng for details

D. METHOD OF APPLICATION:

Form Fee: ₦20,000 (excluding the bank charges). Payment Method: Payments will be made using INTERSWITCH ENABLED DEBIT Cards (ATM Cards).

Application Website: www.apply.lautech.edu.ng. Complete the form and print.

E. CLOSING DATE:

Printed Application Form with photocopies of Certificates/Diplomas including 'O Level and NYSC certificates, transcripts and other relevant documents should reach The Secretary, Postgraduate School, LAUTECH, Ogbomoso not later than six weeks from the date of this publication.

THE POSTGRADUATE SCHOOL
ADMISSION TO PART-TIME POSTGRADUATE PROGRAMMES

Applications are invited from suitably qualified candidates for admission into the following Part-time Postgraduate Programmes for the 2023/2024 Academic Session:

B. AVAILABLE PROGRAMMES

(1) FACULTY OF ARTS AND SOCIAL SCIENCES

- (i) Postgraduate Diploma in Social Work with specialization in:
 - (a) Community Development
 - (b) Social Welfare
 - (c) Healthcare
 - (d) Industrial Social Welfare
- (ii) Master of Science in Social Work with specialization in:
 - (a) Community Development
 - (b) Social Welfare
 - (c) Healthcare
 - (d) Industrial Social Welfare

Admission requirements

(a) Basic Requirements:

Candidate for (i) must possess five (5) O' Level credit passes including English Language, Mathematics and any other three (3) Arts and/or Social Sciences subjects.

Candidate for (ii) above must possess five (5) O' Level credit passes including English Language, Mathematics and any other three (3) Arts and/or Social Science subjects.

(b) Specific Requirements:

Candidate for (i) must be a

- ii. Holder of HND with a minimum of Lower Credit, Registered Nursing Certificate, Community Health Certificate or their equivalents from recognized higher institutions.

Candidate for (ii) must

- iii. Hold First Degree of not less than Second Class Lower Division in relevant areas (Health Education and Special Education, Nursing, Psychiatry, Psychology, and any other relevant discipline in Sciences, Social Sciences and Humanities) OR
- iv. Hold LAUTECH Postgraduate Diploma Certificate or its equivalent from other recognized Universities.

(2) FACULTY OF CLINICAL SCIENCES

(A) Department of Community Medicine

- (i) Postgraduate Diploma in Public Health (PGDPH)
- (ii) Master in Public Health (MPH) with the following options:
 - (a) Health Education
 - (b) Public Health Nutrition
 - (c) Health Administration, Management and Policy
 - (d) Epidemiology and Disease Control
 - (e) Population and Reproductive Health

Admission requirements

(a) Basic Requirement:

Candidate for (i) must possess five (5) O' Level credit passes including English Language, Mathematics, Physics, Chemistry and Biology.

Candidate for (ii) above must possess five (5) O' Level credit passes including English Language, Mathematics, Physics, Chemistry and Biology.

(b) Specific Requirements:

Candidate for (i) who possesses

- i. Bachelor degree in disciplines not related to health such as social sciences, Statistics, Mathematics and other science courses with a minimum of 2nd class lower division, must be currently involved in active public health practice with at least 3 years' experience OR
- ii. Third class in disciplines not related to health, must be currently involved in active Public Health practice with at least 5 years' experience OR
- iii. Higher National Diploma or its equivalent in Health Science related courses, must have a minimum of lower credit and must be currently involved in active public health practice with at least 3 years' experience OR
- iv. Registered Nurses and Midwives or Community Health Officers (CHOs) certificate with a minimum of lower credit and 3 years' working experience.

Candidate for (ii) must possess

- i. Basic professional degree in Medicine or Dentistry from any recognized University, with at least 3 years of experience in health care programs OR
- ii B.Sc/B.Tech degree in Public Health from Universities recognized by the Senate of LAUTECH with at least 3 years' experience in health care programs OR
- iii B.Sc/B.Tech degree in disciplines related to health such as Pharmacy, Nursing, Physiotherapy, Biochemistry, Microbiology, Physiology, Anatomy and other health-related disciplines including Human Nutrition, Demography, Health Education, Environmental Health and Biostatistics (minimum of second class lower division), who are currently engaged in active Public Health practice with at least 5 years' experience OR.
- iv. Minimum of second class lower in first degree in a more diverse background for example in Social Sciences, Statistics, Mathematics, with at least 5 years' cognate experience and track record in health-related organizations, with evidences of appropriate post-graduate education/professional training in any area of public health specialty or Postgraduate diploma in Public Health OR.
- v. Third class in Health Science oriented discipline with a relevant Post graduate diploma.

(3) FACULTY OF COMPUTING AND INFORMATICS

(a) Department of Computer Science

- (i) Professional Postgraduate Diploma in Business Computing (PGDBC)
- (ii) Professional Postgraduate Diploma in Computer Application (PGDCA)
- (iii) Professional Postgraduate Diploma in Data Science (PGDDS)

(b) Department of Computer Science

- (i) Masters in Business Computing (MBC)
- (ii) Masters in Computer Application (MCA)
- (iii) Masters in Data Science (MDS)

(c) Department of Cyber Security Science

- (i) Professional Postgraduate Diploma in Cyber Security (PGDCS)
- (ii) Professional Postgraduate Diploma in Cyber Investigations and Law (PGDCIL)
- (iii) Professional Postgraduate Diploma in Information Security (PGDIS)

(d) Department of Cyber Security Science

- (i) Masters in Cyber Security (MCS)
- (ii) Masters in Cyber Investigations and Law (MCIL)
- (iii) Masters in Information Security (MIS)

(e) Department of Information System

- (i) Professional Postgraduate Diploma in Health Information Systems (PGDHIS)
- (ii) Professional Postgraduate Diploma in Management Information System (PGDMIS)
- (iii) Professional Postgraduate Diploma in Telemedicine (PGDT)

(f) Department of Information System

- (i) Masters in Health Information Systems (MHIS)
- (ii) Masters in Management Information System (MMIS)

(iii) Masters in Telemedicine (MT)

Admission requirements

Basic Requirement:

Candidates must possess 5 O'Level credit passes at maximum of two (2) sittings in WAEC/NECO/NABTEB to include English, Mathematics and any other three science related subjects.

a, c, e Specific Requirements:

Candidate must possess

- i. Minimum qualification of Third Class degree of Bachelor of Technology, Bachelor of Engineering or Bachelor of Science OR
- ii. HND or its equivalent in Engineering, Technology or any of the related Sciences at Lower Credit Level, with a minimum of 2 years of Industrial working experience in related fields OR
- iii. Full Technological certificate/Advanced Diploma of City and Guilds, Advanced Diploma with Professional safety measure

Note:

Candidates for b,d,e must possess

- i. Bachelor of Technology or Bachelor of Engineering or Bachelor of Science Degrees Certificate in Engineering, Technology or any of the relevant Sciences with a minimum of Second Class (Lower Division) OR
- ii. Postgraduate Diploma or its equivalent in any of the relevant disciplines at credit level.

(4) FACULTY OF ENGINEERING AND TECHNOLOGY

DEPARTMENT OF COMPUTER ENGINEERING

- (i) Postgraduate Diploma in Computer Engineering
- (ii) Master in Information Technology (MIT)

Admission requirements

(a) Basic Requirement:

Candidate must possess five (5) O'Level credit passes including English, Mathematics and any other three science related subjects.

(b) Specific Requirements:

Candidate for (i) must possess

- i. minimum qualification of Third Class degree in Computer Science, Computer Engineering, and any other related fields.
- ii. HND with a minimum of Lower Credit in Computer Science, Computer Engineering, and any other related fields

Candidates for (ii) must possess

- i. Bachelor's degree of LAUTECH, or any other recognized Universities in relevant fields with a minimum of Second Class Lower Division
- ii. A minimum of 60% average in Postgraduate Diploma from LAUTECH or any other recognized University
- iii. Third class in B.Tech, B.Eng. and B.Sc. with Postgraduate diploma in relevant fields. HND with a minimum of lower credit plus professional certificate in relevant fields.

DEPARTMENT OF MECHANICAL ENGINEERING

- (i) Postgraduate Diploma in Safety Technology Management
- (ii) Master in Safety Technology Management

Admission requirements

(a) Basic Requirement:

Candidates must possess 5 O'Level credit passes at maximum of two (2) sittings in WAEC/NECO/NABTEB to include English, Mathematics and any other three science related subjects.

(b) Specific Requirements:

Candidate for (i) must possess

- i. Minimum qualification of Third Class degree of Bachelor of Technology, Bachelor of Engineering or Bachelor of Science OR

- ii. HND or its equivalent in Engineering, Technology or any of the related Sciences at Lower Credit Level, with a minimum of 2 years of Industrial working experience in related fields OR
- iii. Full Technological certificate/Advanced Diploma of City and Guilds, Advanced Diploma with Professional safety measure

Note: Candidate with any of the certificates in b(iii) must have minimum of five years' working experience.

Candidates for B (ii) must possess

- i. Bachelor of Technology or Bachelor of Engineering or Bachelor of Science Degrees Certificate in Engineering, Technology or any of the relevant Sciences with a minimum of Second Class (Lower Division) OR
- ii. Postgraduate Diploma or its equivalent in Safety Technology Management of LAUTECH, or any of the relevant disciplines at credit level.

(5) FACULTY OF MANAGEMENT SCIENCES

Department of Management and Accounting

- (i) Postgraduate Diploma in Management Science (PGDMGS) with areas of specialization in:
 - (a) Financial Management
 - (b) Management Studies
 - (c) Accounting
 - (d) Management Information System
 - (e) Cost Management
- (ii) Postgraduate Diploma in Public Administration (PGDPA)
- (iii) Master in Business Administration (MBA) with areas of specialization in:
 - (a) Marketing Management
 - (b) Financial Management
 - (c) Human Resource Management
 - (d) Management Information System
 - (e) Cost Management
 - (f) Oil, Gas and Energy Management
 - (g) Procurement and Supply Chain Management
- (iv) Master in Public Administration (MPA)

Admission requirements

(a) Basic Requirement:

Candidate for (i), (ii), (iii) and (iv) must possess five (5) O' Level credit passes including English Language and Mathematics

(b) Specific Requirements:

Candidates for (i) and (ii) must possess

- i. Bachelor's degree in relevant disciplines with a minimum of Third Class from recognized Universities OR
- ii. HND in relevant disciplines with a minimum of Lower Credit from a recognized institution

Candidate for (iii) and (iv) in addition to the basic requirements, must possess

- i. Bachelor's degree in Social Sciences or numerate discipline like Engineering and Sciences from an approved University, with a minimum of second class lower division OR
- ii. Postgraduate Diploma in relevant disciplines from recognized Universities OR
- iii. HND in any discipline with a minimum of Lower Credit plus Postgraduate Diploma in Social Sciences or numerate disciplines from recognized Universities are also eligible for admission OR
- iv. Holders of professional qualifications from relevant professional bodies that are Chartered by the Federal Government of Nigeria such as ICAN, CIBN, CILPAN, ANAN, NIM, CIPSMIN, CIN, NIMARK CIPM (IPMA Professional Part 2 Certificate), Postgraduate Diploma in Cost Management or Associate Membership (ACCM) of Chartered Institute of Cost Managers of Nigeria may be considered OR

- v. Holders of HND Distinction/Upper Credit or Third Class degree in any relevant discipline plus ten years' experience at the managerial level may also be considered.

Department of Transport Management

- (i) Postgraduate Diploma in Transport Management (PGDT)
- (ii) Master in Transport Management (MTM) with specialization in:
 - (a) Logistics Management
 - (b) Aviation Management
 - (c) Maritime Management
 - (e) Port Management and Operations
 - (f) Shipping Management
- (iii) M.Sc in Supply Chain Management with specialization in
 - (a) Supply chain Management
 - (b) Procurement Management
 - (c) Freight Forwarding

Admission requirements

(a) Basic Requirement:

Candidate for (i), (ii) and (iii) must possess five (5) O' Level credit passes including English Language and Mathematics

(b) Specific Requirements:

Candidates for (i) must possess

- i. Bachelor's degree in any discipline with a minimum of Third Class from a recognized University OR
- ii. HND with a minimum of Lower Credit in any social science, management science or numerate discipline like Engineering, Mathematics and Pure Sciences;

Candidate for (ii) and (iii) must possess

- i. Bachelor degree in Social Sciences, management science or numerate discipline like Engineering, Mathematics and Pure Sciences, from an approved University, with a minimum of second class lower division OR
- ii. Postgraduate Diploma in the relevant disciplines from a recognized University OR Professional qualification in any of the following:
 - a. Chartered Institute of Logistics of Transport
 - b. Nigeria Institute of Management
 - c. Nigeria Institute of Transport Technology
 - d. International Maritime School

(6) FACULTY OF PURE AND APPLIED SCIENCES

Department of Pure and Applied Biology

- (i) Postgraduate Diploma in Environmental Health (PGDEHM) with specialization in:
 - (a) Public Health Management
 - (b) Biodiversity Management and Conservation
 - (c) Industrial Biotechnology
- (ii) Master in Environmental Health Management (MEHM)(Public health option)

Admission requirements

(a) Basic Requirement:

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language and Mathematics, Biology/Health Science, Geography/Agricultural Science, Physics, Chemistry, Health Education etc.

(b) Specific Requirements:

Candidate for (i) must possess

- i. Bachelor's degree in Science and Science-based courses with a minimum of Third Class from a reputable University/Applicants with Higher National Diploma (HND) and its equivalents from recognized Polytechnics and Institutes with minimum of Lower Credit in relevant Science-based courses, such as Microbiology, Biochemistry, Nursing, Midwifery, Medical Laboratory Science, Science Laboratory Technology, Forestry, Fisheries, Health Technology, Community Health, Chemistry,

Chemical Engineering, Animal Health and Technology, Environmental education etc. are also eligible.

Candidate for (ii) must

- i. Be a graduate of LAUTECH or of any approved University in Science and Science-based disciplines with at least Second Class Honours OR
- ii. Possess PGD in Public Health Management from LAUTECH or from any other approved University with 60% or (3.5) weighted average or a University degree not less than Third Class (with evidence of at least 5 years of post-qualification cognate working experience in a relevant organization)

Department of Pure and Applied Chemistry

- (i) Professional Postgraduate Diploma in Industrial and Environmental Management (IEM)
- (ii) Master in Industrial and Environmental Management

Admission requirements

(a) Basic Requirement:

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language, Mathematics, Chemistry, Physics and Biology

(b) Specific Requirements:

Candidate for (i) must possess

- i. Bachelor of Technology or Bachelor of Engineering or Bachelor of Science or equivalent qualification in a relevant branch of science or engineering with a minimum of Third Class OR
- ii. Higher National Diploma (HND) with a minimum of lower credit in Environmental Health with two (2) years working experience in the field. Applicants with other relevant qualifications with at least two years work experience in the field of environmental impact assessment or pollution control may also be considered

Candidate for (ii) must possess

- i. Bachelor of Technology or Bachelor of Engineering or Bachelor of Science or equivalent qualification in a relevant branch of science or engineering with a minimum of Second Class Lower division OR
- ii. Higher National Diploma (HND) and Postgraduate Diploma in Environmental Health with work experience in the field. Applicants with other relevant qualifications with substantial professional work experience in the field of environmental impact assessment or pollution control may also be considered

Department of Pure and Applied Mathematics

Postgraduate Diploma in Financial Mathematics

Admission Requirements

- (a) Five (5) O'level credits pass in English Language, Mathematics and any three of Economics, Geography, Government, Commerce, Financial Accounting.
- (b) First degree with a minimum of third class, HND with a minimum of lower credit (or its equivalent) in Mathematics, Statistics, Economics, Accounting, Banking and Finance, Insurance, Marketing
- (c) Professional qualifications such as ICAN, ANAN, ICB

Department of Pure and Applied Physics

(i) Postgraduate Diploma in Industrial and Health Technology with specialization in:

- (a) Solar Energy Technology and Design
- (b) Wireless/Communication Technology
- (c) Environmental Safety and Health Technology
- (d) Environmental Geophysics/Space Physics

(ii) Master in Industrial and Health Technology with specialization in:

- (a) Solar Energy Technology and Design
- (b) Wireless/Communication Technology
- (c) Environmental Safety and Health Technology
- (d) Environmental Geophysics/Space Physics

Admission requirements**(a) Basic Requirement:**

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language and Mathematics

(b) Specific Requirements:

Candidates must possess

- i. B.Sc, B.Tech in mathematics, Physics, Chemistry, Biology, Earth Science and Engineering or other related courses of LAUTECH or recognized Universities with a minimum of second class lower division OR
- ii. Third class in B.Sc, B.Tech or HND lower credit plus Postgraduate Diploma in relevant field.
- iii. Third class in B.Sc, B.Tech, or HND with minimum of lower credit plus equivalent related professional qualifications.

Department of Science Laboratory Technology

(i) Postgraduate Diploma in Occupational Health and Safety Management

- (a) **O'Level Requirements:** Five O'Level credits in WASC or GCE O/L including English and Mathematics
- (b) Holders of Upper Credit level passes at HND or its equivalent in relevant areas
- (c) Graduates with third class degree B.Tech and B.Sc in relevant fields

(ii) Master in Occupational Health and Safety Management

- (a) **O'Level Requirements:** Five O'level credits in WASC or GCE O/L including English and Mathematics.
- (b) Graduates of science and engineering with at least second class lower degree from LAUTECH, Ogbomosho or other Universities approved by the Senate.
- (c) Graduate who have completed a postgraduate programme in Occupational Health and Biosafety with a score above 60%.
- (d) Graduates with professional qualification which would be described to be of satisfactory standard for postgraduate admission and a minimum of two (2) years recent and relevant post qualification professional experience.

C. DURATION OF PROGRAMMES

- | | | |
|--------------------------|---|-------------------------------|
| (i) Postgraduate Diploma | - | Minimum of two (2) semesters |
| (ii) Master degree | - | Minimum of four (4) semesters |

METHOD OF APPLICATION:

Form Fee: ₦20,000 (excluding the bank charge). Payment Method: Payments will be made using INTERSWITCH ENABLED DEBIT Cards (ATM Cards).

Application Website: www.pgschool.lautech.edu.ng/application. Complete the form and print.

CLOSING DATE:

Printed Application Form with certified photocopy of Certificates/Diplomas including 'O Level and NYSC Certificates, Transcript and other relevant documents should reach The Secretary, Postgraduate School, LAUTECH, Ogbomosho not later than 6 weeks from the date of publication.
